ACE Driver Wins National Award

Andy, owner of ACE, with Tony

Tony Louzon, a longtime and trusted driver, recently traveled to Dallas, TX with a "posse" from ACE to receive his 2011 "Driver of the Year" award from the Environmental Industry Associations (EIA). Tony was chosen from over 100,000 drivers in the industry for his safe driving record, exemplary service and commitment to training new drivers.

"Tony will step up and gladly share his experience and knowledge with others. He is a terrific asset to the company and an example to his coworkers on how to be a quiet, but strong leader. I am proud to have him representing me on the street everyday" said Andy Schweizer, owner of ACE.

At the awards breakfast in Dallas, Tony took the stage and gave a short speech in front of 500 attendees. He said: "Thank you to Andy and Brenda, the owners of ACE, for nominating me and giving me this once in a lifetime opportunity and experience. Thank you also to the association and everybody at ACE who has helped me along the way. In my 14 years at the company, both for myself and the drivers I train, I have always lived by the company guidelines of Safety, Service, Professionalism and Productivity - in that order."

To watch Tony receive his award (and carry it home), the company also flew his dad, Al, to Dallas. Following the awards breakfast, Tony and his dad walked the trade show floor and witnessed the size, professionalism and innovation in our industry. He shook a lot of hands and received many sincere and thoughtful well wishes.

Watch for Tony on the street, he is back to his daily routine serving customers and resolving issues with skill and reliability. We are sure you will receive the trademark

ACE Smile and Wave!

Hip, Hip, Hooray! Carts on Parade!

Carts on Parade is an ACE Solid Waste community outreach program that promotes environmental awareness and recycling by engaging local youth groups in a cart decorating contest and "cart brigades" in local parades.

A cash donation is made to the group for their efforts.

We are currently seeking youth groups who would like to participate in the 2011 Carts on Parade cart decorating contest at the Anoka County Fair. Carts are judged and cash prizes are awarded in various categories as well as for participation.

Qualified organizations will have the opportunity to promote their group at the Fair as part of the ACE booth. Certain rules and restrictions apply. Contact mbay@acesolidwaste.com for more information. The deadline for submission is right around the corner!

Listed below are a few of the parades where you can see that famous **ACE Smile and Wave!**

Fridley 49'er Days	06/23/11	Boy Scout Troop
Coon Rapids 4th of July	07/01/11	Coon Rapids High School
Isanti Rodeo Jubilee Days	07/07/11	High School Gymnasts
Lino Lakes Blue Heron Days	08/20/11	Gymnasts Club
Ramsey Happy Days	09/17/11	Ramsey Explorers
Anoka Halloween Parade	10/29/11	Church Youth Group

Award winner showing off their design from the Anoka County Fair competition.
